Overview

In total, the 2024/25 budget reflects \$47.5983 billion in enacted state appropriations from the General Fund. This represents a \$2.72 billion (6.2%) increase from the prior fiscal year (2023/24).

State appropriations include a year over year increase of \$1.68 billion to replace enhanced Federal Medical Assistance Percentage (FMAP) funds that offset Medical Assistance (MA) expenditures within the Department of Human Services (DHS) beginning in fiscal year 2022/23. The enhanced federal match received by states during the pandemic was phased down and ended December 2023.

The 2024/25 budget package includes the following bills:

- General Appropriations Act ([SB1001](#), Act 1A of 2024)
- Fiscal Code ([HB2310](#), Act 54 of 2024)
- Tax Code ([SB654](#), Act 56 of 2024)
- School Code ([SB700](#), Act 55 of 2024)
- Higher education school code package ([SB1150](#), [SB1154](#), [HB897](#))
- Capital budget ([HB2328/SB1072](#))
- “Housekeeping” Appropriations:
 - Bureau of Professional and Occupational Affairs ([SB1002](#), Act 2A of 2024)
 - Workers’ Compensation Act Administration for the Department of Labor & Industry ([SB1003](#), Act 3A of 2024)
 - Office of Small Business Advocate ([SB1004](#), Act 4A of 2024)
 - Office of Consumer Advocate ([SB1005](#), Act 5A of 2024)
 - Public School Employees’ Retirement System ([SB1006](#), Act 6A of 2024)
 - State Employees’ Retirement System ([SB1007](#), Act 7A of 2024)
 - Philadelphia Parking Authority ([SB1008](#), Act 4A of 2024)
 - Public Utility Commission ([SB1009](#), Act 9A of 2024)
 - Pennsylvania Gaming Control Board ([SB1010](#), Act 10A of 2024)
- Non-Preferred Appropriations ([HB613](#), Act 11A of 2024)
 - University of Pennsylvania for Veterinary Activities and for the Center for Infectious Diseases
 - State-related universities
 - Agricultural College Land Scrip Fund

Education

- K-12 Education Investments
 - Standard subsidies:
 - \$225 million through the basic education fair funding formula (2.9% increase)
 - \$100 million or 7.2% increase in Special Education Funding
 - \$100 million for mental health and physical safety
 - \$30 million increase for Career and Technical Education (CTE)
 - \$12.7 million or 12% increase for the CTE subsidy
 - \$5 million or 33% increase for CTE equipment grants
 - \$12 million for PA Smart (STEM grants)
 - **NEW** subsidies:
 - \$493 million adequacy supplement (in Ready to Learn Block Grant)
 - \$32 million tax equity supplement (in Ready to Learn Block Grant)
 - \$60 million through a new hold harmless relief supplement (in BEF)
 - \$100 million for a new cyber charter reimbursement
- \$100 million for Public School Facility Improvement Grant Program through the Commonwealth Financing Authority (CFA)
- Pre-k Counts - \$15 million increase that supports a 5% rate increase
- Early Intervention (age 3-5) - \$33 million or 9% increase to meet growing costs
- Dual Enrollment - \$7 million
- Cyber charter school tuition reform (takes effect January 1, 2025) **[NEW]**
 - Provides an estimated \$34.5 million in savings to school districts in 2024/25 through changes to the special education tuition calculation. Under current law, the special education add-on tuition rate for charter school students is determined by dividing the resident school district’s special education expenditures (net of deductions) by 16% of the school district’s average daily membership. The school code bill changes the calculation to use each school district’s actual special education average daily

membership in place of the outdated 16% assumption. For 2022/23, the median school district’s special education population was 19.6%.

- Annualized estimated savings are \$69 million
- The cap on the Educational Tax Credit programs increases by \$75 million or 14%

Educational Tax Credits Summary	Increase in 23/24		23/24 credits still available on June 1, 2024	2024/25 Cap in SB700	Increase in 24/25 in SB700

Higher Education

Policy [NEW]

- Senate Bill 1150
 - Grow Pennsylvania Scholarship Program
 - Begins in 2024/25 and is administered by PHEAA
 - \$5,000 grant award for eligible students, who must be a commonwealth resident, be enrolled in an approved course of study, maintain satisfactory academic progress, not have earned a bachelor’s degree, and enter into an agreement to work in Pennsylvania for 12 months for every year the student receives a grant
 - Grow Pennsylvania Merit Scholarship Program
 - Allows PASSHE to charge the in-state tuition rate for first-time, freshmen, nonresident students who commit to work in Pennsylvania after graduation
 - Begins in 2025/26 and PHEAA administers this program in conjunction with PASSHE
 - Eligible nonresident students must be enrolled in an approved course of study, maintain satisfactory academic progress, not have earned a bachelor’s degree, and agree to work in Pennsylvania for 12 months for each academic year the student received the scholarship
 - If less than 300 scholarships are awarded (the estimated break-even point for PASSHE), the Commonwealth shall pay PASSHE the difference in the subsequent year
 - Ready to Succeed Scholarships – annual household income limit is increased from \$126,000 to \$175,000
 - Name, image or likeness (NIL) is moved from Title 5 to the school code; changes incorporated
- Senate Bill 1154
 - Establishes the Performance Based Funding Council within the new State Board of Higher Education to make recommendations for a process to distribute funds to Penn State University, the University of Pittsburgh, and Temple University
- House Bill 897
 - Articulation agreements
 - Student Fee Transparency – institutions of higher education must describe mandatory fees
 - Dual Credit Innovation Grant Program
 - Creates the State Board of Higher Education
 - Develop a strategic plan
 - Promote coordination
 - Create a comprehensive data system
 - Create procedures to follow in the event of the closure of an Institution of Higher Education

Pennsylvania State System of Higher Education (PASSHE)

- \$35.1 million or 6% increase
- \$85 million supplemental appropriation for facilities transition

Community Colleges

- \$15.7 million or 6% increase
- Funding is maintained for Community College Capital Fund

State-Related Universities

- 13% increase for Lincoln University, Pennsylvania College of Technology, and the Rural Education Outreach under the University of Pittsburgh
- University of Pittsburgh, Temple University, and Penn State University funding maintained at the 2022/23 fiscal year level

Pennsylvania Higher Education Assistance Agency (PHEAA)

- \$54 million increase to ensure the maximum State Grant level is maintained
- \$20 million for student teacher stipend
 - This brings the two-year total to \$30 million, which is below the \$45 million that is needed to fund all applications for 2024/25
- Grow PA Scholarships – \$25 million **[NEW]**
- Ready to Succeed Scholarships -- \$36 million or 150% increase
- Increases for Bond Hill Scholarships, Higher Education for the Disadvantaged, Cheyney University Honors Academy, and the Targeted Industry Scholarship Program

Human Services

Physical and Mental Health programs increases over fiscal year 2023/24:
