

Senate Bill 1108 provides \$10 million for COVID Relief - Community-Based Health Care Centers. House Bill 2510 outlines that the \$10 million is to be distributed proportional to each facility's Coronavirus Aid, Relief, and Economic Security (CARES) Act supplemental grant award from the Health Resources and Services Administration (HRSA).				
This is an estimate of how the \$10 million will be distributed to community-based health care centers.				
Actual distributions will be determined by the Department of Health.
